

4 May 2022

Dear Year 11 Parent/Carer,

During this Term Centralian Senior College will be running a healthy relationship programme called *Catching On Later* for all Year 11 students. The focus of this personal development programme is to provide our students with knowledge about sexual health and respectful relationships.

Catching On Later will help young people understand the life stage they are in – their sexual development and the emotional impact of the many changes that are taking place in their lives. This program based on research into sexuality education and is strongly supported by the Australian Curriculum in Victoria and Department of Education and Early Childhood Development sexuality education policy.

Each Year 11 student will attend programme sessions during Mentoring in Term 2 unless you wish them not to.

If you would like to find out more about *Catching On Later* or discuss the participation of your child in this program please contact your young person's mentor or Glenda McCarthy – Assistant Principal on ph 8958 5000.

Yours sincerely,

Joanne Alford
Principal
